

We cover lots of subjects at Debut to ensure that our learners are confident in talking about these sensitive subjects and know how to support people who might be going through this, especially as they leave to start their careers in the hair and beauty industry.

There have been 16 days of activism supporting the White Ribbon event. However, we do not just want to support and help the people going through this for just 16 days. This needs to be done all the time.

You can also follow the website below for local help and support.
